ICS School Advisory Council Agenda – Goals for next 3-5 years.

1. Some type of summer offering.
2. Pre-K program - looking into modifying it to be a 3/4 year old program.
3. ICS Supports – Title I options, Counselor.
4. I-Ready – assessment and instructional materials.
5. Purchasing a 12 passenger (does not require a CDL) vehicle for ICS/Parish to use.
6. Enrollment
 - a. What is the "right" enrollment for our school? Of course there are many things to consider with this concept - financially what do we need to maintain, as well as physical space. Salaries and benefits are the largest part of our budget. With our existing staff and space, we could potentially manage Pre-K (10) and about 8 students per grade level (72 K-8).
 - b. Why don't Parish families send their students to ICS?
 - c. Scholarships/Sponsors - for students who would like to attend ICS.
 - d. Can we accept federal/state subsidy for our Pre-K program? We believe we have to be licensed and need to check and see what is involved with being a licensed facility.
