What is Virtue?

A good habit is called a virtue. A bad habit is called a vice. Habits grow by practice. God always gives us the grace to choose and do what is good. If we think about what is right and open our hearts to God, we will make good choices and grow in virtue. Virtues make us free, happy, and holy.

We are starting our school year focusing on the Theological and Cardinal Virtues. We will be learning about and practicing one each week.

Theological Virtues

Love—the greatest of all virtues that enables us to love God and to love one another.

Faith—a gift from God that enables us to believe in him and accept all that he has revealed.

Hope—the virtue that enables us to trust in God's promise to share his life with us forever; it makes us confident in God's love and care for us

Cardinal Virtues

Human efforts rely on God's grace to be perfected

Fortitude - the ability to face danger and find strength to overcome fear

Temperance—helps us to keep our desires under control & to balance our use of material goods

Justice—respecting the rights of others and giving them what's rightfully theirs

Prudence—the virtue that helps us to make sound judgements and directs our actions towards the good
