## Note to Parents

As we begin the second semester, we want to maintain high expectations for all of our students and continue building on their growth and success. We truly appreciate our parents and guardians for supporting learning at home. Education starts there, and our school is proud to partner with you in this important work.

To help with this effort, we provide planners, online resources, and ongoing communication to help students stay organized and on track.

We ask for your continued support by checking in with your student, reviewing assignments, and encouraging responsibility and effort each day. Together, we can ensure a strong and successful second semester for all.

The theme is Faith, Excellence and Service. During this week we will be focusing on how we serve God, with our time, talents, and treasures.

Thank you so much for supporting our school and our effort to embrace the mission of Jesus Christ to form faith, service and leadership in our Church, our school, and our community.
