

HELPING OUR YOUTH GROW!

DO YOU HAVE A TALENT YOU CAN SHARE?

ICS would like to plan a few “fun talent sessions’ for the summer months of June and July that would highlight specific skills to teach our Youth!

Our goal is to help families inject activities into their youth’s day and to offer alternate opportunities to reduce screen time—as well as provide fun and different adventures!

If you have a specific skill or hobby that you would like to share, we would love to hear from you!

Talents can include teaching a small sewing or quilting project, small wood working project, gardening, exploring the outdoors through photography, observing nature, cooking, baking, cake decorating, jewelry making, archery, sketching, creating custom greeting cards, making homemade pizza...

THE LIST IS ENDLESS!

Please reach out to Leigh Ann Grant,
Principal at

660-385-2711 or email:
principal@icsmaconk8.org if you would be
interested in sharing your time and talent.

Be of Joyful Service...
