## JOIN US FOR A EVANGELIZATION WORKSHOP

The Virtual Street Evangelization Workshop is a hands-on evangelization training event designed specifically for evangelization. When so many efforts to promote the New Evangelization are focused primarily on catechesis about evangelization, this workshop teaches Catholics, no matter their previous education or experience, how to share their faith effectively and enthusiastically with the people they encounter out on the street

Among the skills you will learn are:

- How to start and direct a conversation towards faith in Jesus and the Church
- How to share what God has done in your life
- How to share the Gospel message
- How to pray out loud with someone
- How to invite someone to a deeper relationship with Jesus Christ
